This is possibly a list of manga series published in Japan but I am certain that there are many manga published outside Japan that can also be considered worth-reading (since they may have Japanese origins). But I have not been able to choose what manga I should read so I decided to suggest a list of manga that I think are worth-reading. If you read any of them, I am sure it will be really enjoyable! And other non-Japanese manga that I recommend are: -Lady Rain-Slick -Les Misérables -Gandam 00 That list is quite big but I found manga to be extremely enjoyable so what do you think? I'm sure those are some fine recommendations to a wide
